

# THE WHITE HOUSE

BOGOR

# About Us

The White House Bogor is an elegant retreat strategically located to offer a serene escape while remaining easily accessible from the heart of the city. Nestled amid lush greenery, this venue features a stunning facade with classic white columns, evoking a sense of timeless grandeur. The expansive grounds and sophisticated design provide a picturesque setting for a variety of events. Combining personalization, luxury, and intimacy, it is perfect for weddings, corporate events, and social gatherings.

Whether you seek the *luxury* of classic architecture or the intimate charm of traditional design, our venue ensures an unforgettable event tailored to your unique needs.

A photograph of a grand white mansion entrance. The central focus is a white double door with a dark metal handle. Above the door is a decorative white scrollwork panel. The entrance is flanked by large, multi-paned windows, also featuring decorative scrollwork panels. The ground is a polished, light-colored marble floor. Two large potted plants with variegated green and yellow leaves are positioned on either side of the door. The overall aesthetic is elegant and classic.
